 *Pillars of Student Success signify a program's primary focus; however, each JA program is developed to include all three pillars.

Blended Model: Programs are delivered to students through an integration of face-to-face volunteer and teacher mentoring and instruction, student-led groups, and digital learning during the traditional school day.

Classroom-Based: Programs are delivered to students by a volunteer during the traditional school day.

JA AfterSchool®: Programs are delivered to students by a volunteer outside traditional school hours, including afternoon, evenings, weekends, and summer.

JA Capstone: Programs in which the classroom teacher prepares students for a day-long, out-of-school, volunteer-led experience.
