

Why Dominion Energy?

Company Overview

More than 7 million customers in 16 states energize their homes and businesses with electricity or natural gas from Dominion Energy (NYSE: D), headquartered in Richmond, Va. With over 17,000+ employees Dominion Energy is helping to reshape the future of energy through the power of its people. The company is committed to sustainable, reliable, affordable and safe energy and to achieving net zero carbon dioxide and methane emissions from its power generation and gas infrastructure operations by 2050.

Embrace Change

One Dominion Energy

One of my biggest admirations for Dominion Energy is that leadership continually takes invaluable initiatives against social injustices and climate change. Dominion Energy is a leader in growing its renewable energy portfolio and employees are given ample resources to join empowerment organizations that give significant opportunities to grow as professionals. As a company, Dominion Energy is paving the way for a brighter future in an unprecedented manner. It is truly an honor to be part of this all-inclusive team!
